Miri Piri Khalsa College, Bhadaur has been "encouraging the final year students to appear for the GATE examination" by extensively distributing information about the numerous opportunities that await them following the GATE, including AICTE scholarships for postsecondary education and research, enrolment in foreign universities for postsecondary education, employment opportunities in the public and private sectors, teaching, international companies, and the chance to work with prestigious government agencies. Try to explain to the pupils during the counselling session how a high GATE score will qualify them for their sponsorship programs.
