- Enhanced the weightage for questions based on "Critical Thinking" & "Analysis" in the internal examination paper to enable the students to prepare and learn by understanding the concepts rather than by rote learning.

- Revision of internal examination question paper viz., PART-A, PART-B and PART-C is done to balance the objective and subjective type of questions asked. All questions are made compulsory in the question paper to ensure that students prepare for the entire course content prescribed for the examinations.

- Introduction of "Review/Moderation" system: The question papers are reviewed by the Head of the Department or senior faculty to check the quality of the questions as per prescribed guidelines.
