Our Students, Our Ambassadors

Hello Everyone. The Computer Science Department is one of the prestigious departments of the college, which provided me with the right platform to build my career. Today, I am proudly working as a Python Developer at Solitaire Infosystem. The faculty members were always supportive and available whenever we needed guidance.

Arshdeep Singh
Student, B.Voc (Software Development)

I would like to say few words about the PG department of computer science. I was able to get merit position in University examination of BVoc Cyber Security. I love the family-like atmosphere that surrounded me. It is a place of civility, friendship, and good cheer. I really enjoyed my year journey there.

Rajvir
Student, B.Voc (Cyber Security)

As an alumnus student of GNC budhlada, I would like to share my experience and gratitude to this college. Due to a great foundation laid by my college, I got the job of Maths lecturer. I am highly thankful for providing me with an opportunity to be a part of this college.

Ankush Kumar
Student, M.Sc (Mathematics)
